

GetSome Privacy Policy

GetSome Enterprises Limited, a New Zealand company operating primarily in New Zealand and Australia, is committed to safeguarding personal information.

We collect, use, and store data in compliance with the Privacy Act 2020 (NZ) and the Privacy Act 1988 (Cth) (AU). Data is processed solely for service delivery, secured per ServiceNow best practices, and accessed only by authorised personnel.

We retain data as required and dispose of it securely.

Clients are responsible for their own environment's security.

Breaches will be reported per applicable laws.
